

## **FIJI INSTITUTE OF ACCOUNTANTS 2017 CONGRESS**

21-22 April 2017

Shangri-La's Fijian Resort and Spa

### **EMBRACING FUNDAMENTALS FOR SUCCESS**

Our international speakers at the 45th FIA Congress will include:

**ROD JACKSON** *Chief Financial Officer, Westpac International*

Rod provides finance and strategy leadership to the Westpac International Division that includes Asia, Europe and the Americas based in Singapore. He has a career in financial services spanning over 35 years. Rod will speak on "International Mega Trends: Opportunities and Challenges for Business" covering the major themes of rapid urbanisation, climate change & resource scarcity, the shift in global economic power, demographic & social change and technological breakthroughs & disruption.

**ANDREW MAY** *Partner, KPMG Performance Clinic*

Andrew is recognised as Australia's leading expert on workplace performance. He is a partner of KPMG's Performance Clinic (within KPMG Innovate) assisting organisations to enhance productivity, well-being and employee engagement through the high performance of their people. Andrew is the author of a number of bestselling books, writes a popular blog for The Sydney Morning Herald and The Age, has a regular segment on the ABC News Breakfast and appears regularly on Channel Nine. For over 20 years he has worked with a variety of clients to improve individual and team performance. Andrew will speak on "Matchfit@40".

**TRACEY RYAN** *NZ Leader, Climate Change and Sustainability Services, Ernst & Young Limited*

Tracey leads a team of specialists across Sustainability Strategy and Non-Financial Reporting; Impact and Outcome Measurement; Climate Change and Energy; and Health, Safety and Environment. She has over 20 years of experience serving energy, legal, financial, transport, property, manufacturing, infrastructure and government clients. Tracey will speak on "Enabling a Sustainable Future – Mega Trends Impacting Business" with a focus on climate change and resource scarcity.

**HOLLY KING** *Technology Partner, PricewaterhouseCoopers*

Holly is one of PwC's star Technology partners based in Sydney. Holly will speak on "Global Technology Changes: Opportunities and Challenges for Fiji" in the overall context of IT including finance and business settings which need to be considered as part of doing business in the future. This is considered relevant and important as it is likely to affect most, if not all, businesses in the future.
