

FIJI INSTITUTE OF ACCOUNTANTS

Women in Leadership

The Fiji Institute of Accountants presents the first event as part of their **Women in Leadership** 2021 series. The guest speaker is an influential professional woman who will share her professional and personal experiences. This is a unique opportunity to listen some of Fiji's leading professionals as our panellists. You are encouraged to actively participate during Q&A session. Women (and men) from all walks of life are encouraged to develop as leaders in their personal and professional roles. There are opportunities for networking at this event.
