### *Women in Leadership “Women during COVID-19”*

The Fiji Institute of Accountants (FIA) presents “*Women during COVID-19*” organised as part of their *Women in Leadership* 2020 series. The guest speaker is an influential professional woman in Fiji sharing her professional and personal experiences in working through COVID-19. Do not miss this unique opportunity to listen some of Fiji’s leading professionals as our panellists and you are encouraged to actively participate during the panel session.
