

Taxpayer Online Services Portal (TPOS) Update

24 August 2022

Income tax returns: 2015 to 2021 tax years

The Fiji Revenue and Customs Service (**FRCS**) has issued a Public Notice advising that the **CIT** and **PIT** modules for tax years 2015 to 2021 will be available on the TPOS from 29 August 2022.

To facilitate the roll-out of these services, there will be a system downtime from 25 August to 28 August 2022 during which time the TPOS will not be available. We understand that the online services for all other online tax matters on the TPOS should be used before and after these dates.

The income tax returns which are due for lodgement with the FRCS during August and September 2022 can be lodged via the TPOS from 29 August 2022. We understand that the FRCS has granted a further extension of time till 31 October 2022 for the lodgement of these income tax returns on the TPOS and any late lodgement penalties imposed would be subsequently waived by the FRCS.

The FRCS Public Notice indicates that the user manuals and webinar recordings will be available on the FRCS website by 26 August 2022.

Income tax returns: 2022 and subsequent tax years

We understand that the CIT/PIT modules for the 2022 and subsequent tax years income tax returns will be available on the TPOS in January 2023. Hence, a further extension of time has been granted by the FRCS till 31 January 2023 for the lodgement of the tax returns which are due from October to December 2022 and no late lodgement penalties would be imposed. Further information will be provided by the FRCS on this matter in the upcoming months.

A copy of the Public Notice is available on the [FRCS website](#).
