

FIJI INSTITUTE OF ACCOUNTANTS

Women in Leadership

The Fiji Institute of Accountants (FIA) is organising the inaugural event for the **Women in Leadership** series. This is an initiative of the FIA after much thought. We would like to promote women to key leadership roles by providing them with opportunities to listen to and interact with women who can share their experiences and journeys by inspiring confidence.

Be a part of this inaugural event. Do not miss this unique opportunity to listen and participate during the panel discussion. There are opportunities for networking during this event.
